AA in Art

Accolades

ArtCenter Provost's List

Summer '14 - Fall '17

ArtCenter Student Gallery

Updraft - Fall '15

Design and Fabrication Award

PCC - Spring '14

Interests

I love making puns, finding the best burger spots in town, traveling, camping, hiking, climbing, drawing, making cool stuff, and learning new things.

Design Experience

NASA Jet Propulsion Laboratory - Pasadena, CA, Spring 2017 Industrial Design Research Intern

Worked directly with the ID lab Drought Team, participated in ethnography and design research to support the investigation of user needs, field research, and systems design. In addition, participated in a variety of other design activities, tasks, and brainstorms.

Masimo Corporation - Irvine, CA, Summer 2016 Industrial Design Intern

Responsible for projects related to concept development on a variety of product categories, from body worn sensors to patient monitoring instruments. The primary objective was to help more senior members of the team develop and maintain high value appearance and unique visual language for Masimo's products.

Additional Work Experience

ArtCenter College of Design - Pasadena, CA

Teaching Assistant, Digital Portfolio, Fall 2016

Helped students develop a streamlined personal brand identity that showcases their personality and work in print and on the web.

Teaching Assistant, Visual Communication II, Fall 2015

Helped students improve sketch technique and ability to analyze forms from observation through critiques and sketch demos.

Skills

ID Skills

Concept Generation,
Problem Identification,
Problem Solving,
User Research,
Sketching,
Rendering,
Model making,
Prototyping.

Working Skills

Tenacious,
Adaptable,
Resourceful,
Determined,
Communicative,
Collaborative,
Quick-Learning,

Software

Photoshop,
Illustrator,
InDesign,
Affinity,
Solidworks,
Bunkspeed,
KeyShot,
Premier.
